

SDP

SEDNA Pulverizing Impeller

- Features

Large capacity design,
 efficient grinding and mixing.

Large Capacity Large capacity design.

Strong grinding force,
 efficient pulverizing and mixing process.

Strong Grinding Force Strong grinding force, efficient.

- Product Information

| Model | Working volume (Capacity: 200ml) | Specifications |
|---------|--------------------------------------|--|
| ASAP-01 | 1000 1000 ml (4.23 qt) 1000 ml | <p>► Insulator</p> <ul style="list-style-type: none"> ► 100% Aluminum ► Stainless Steel ► Titanium (Ti6Al4V) ► No BPA <p>► Working Parts</p> <ul style="list-style-type: none"> ► 100% Aluminum ► Stainless Steel ► Titanium (Ti6Al4V) ► No BPA |
| ASAP-02 | 1000 1000 ml (4.23 qt) 1000 ml | <p>► Heating</p> <ul style="list-style-type: none"> ► Heating Element: 1000 W <p>► Material</p> <ul style="list-style-type: none"> ► 100% Aluminum ► 100% Stainless Steel ► 100% Titanium <p>► Features</p> <ul style="list-style-type: none"> ► 100% BPA-Free ► 100% Food Grade ► 100% FDA Approved |
| ASAP-03 | 1000 1000 ml (4.23 qt) 1000 ml | <p>► 100% Aluminum</p> <ul style="list-style-type: none"> ► 100% Stainless Steel ► 100% Titanium <p>► 100% BPA-Free</p> <ul style="list-style-type: none"> ► 100% Food Grade ► 100% FDA Approved |
| ASAP-04 | 1000 1000 ml (4.23 qt) 1000 ml |  |
| ASAP-05 | 1000 1000 ml (4.23 qt) 1000 ml |  |
